COVID-19

OrthoMetrix is doing our part in preventing the spread of COVID-19. This means frequent sanitization procedures of all areas where people will visit, touch, and interact. In addition, we have strict rules all potential visitors must follow if they choose to visit the clinic. The rules are as follows

1. Please do not visit the clinic if you have any cold or flu-like symptoms or if you are required to self isolate.
2. There is a maximum of 2 people allowed in the assessment room during an appointment
3. All visitors must agree to a noninvasive infrared temperature check before entry into the clinic.
4. All visitors to the clinic must wear a mask. If you do not have a mask we are happy to provide one for you.
5. All visitors must use hand sanitizer before entering our clinic.
If you have an appointment booked, you are required to complete a COVID-19 screening form that you will receive in your email shortly before your appointment.
6. We currently do not accept walk-in traffic.
7. Please contact us by phone or email if you have any questions at 604-503-6886 Monday to Saturday between 10am to 6pm.

Before your appointment:

1. Bring this doctors prescription (If applicable).
2. If you have coverage for our services through your health insurance plan, please verify your coverage before your appointment
3. Wear loose, appropriate, comfortable clothing that will easily allow your Pedorthist to view your ankle and knees when walking.
4. Bring 1-2 pairs of shoes you normally would wear.
5. Assessment Fee - There is a minimum of \$80.00 + GST consultation fee should you choose to go through our full pedorthic examination process. This fee can be applied to a pair of custom foot orthotics. More details can be obtained upon request.
